This list cancels all outstanding price lists.

The prices herein quoted are based on the present market conditions, and are applicable to all sales made to the trade in wholesale quantities only. All stock selected and marked by customers in the nursery will be charged for in accordance with its value, or at the value agreed upon at the time, and prices in this list will not apply in such cases.

We cannot guarantee any trees, shrubs and plants sold by us, other than that they are true to name and free from any disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise. We do not give any warranty, expressed or implied, in respect to them. Any and all such goods are sold upon the express condition and understanding that in case any of them prove to be untrue to name, unhealthy or otherwise defective, we shall not be held responsible for a greater amount than the original price of the goods. In no case do we assume any responsibility for the safety of the stock after shipment, except for our own mistake.
